REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance. The prior art fails to disclose a mirror device with the following features:

1) a base, an elongated handle which has a lower end pivotably mounted to the base by a handle joint and a dual mirror assembly telescopically mounted to an upper end of the handle assembly as recited in claim 17; and

2) means for releasably securing the secondary mirror in front of the primary mirror at an adjustable position in which the light transmissive region of the secondary mirror frame overlies the illumination source, whereby light from the illumination source is transmitted through the light transmissive region to thereby illuminate an object field in front of a front, reflecting side of the secondary mirror as recited in claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
